

Our Mission: "To enhance the health of people and our community through relationships with horses."

## THERAPEUTIC RIDING HELPING HANDS PROGRAM

Whether it's a five-year-old with Down syndrome, a 45-year-old recovering from an injury, a senior citizen recovering from a stroke or a teenager struggling with depression, research shows that individuals of all ages who participate in equine assisted activities and therapies (EAAT) can experience physical and emotional rewards. While HARTH has provided therapeutic riding sessions to a number of children with physical, developmental, and emotional disabilities since starting this program, there remains a large number of special needs children in the community that can benefit from these programs but cannot take on the financial burden. In order to provide certified therapeutic riding programs to those in need, HARTH has initiated the Helping Hands program to assist those families with a special needs child (or children) who cannot take on the financial burden of these vital EAAT services. HARTH has the only program of this kind in Burnet and Llano counties. HARTH's goal is to never turn away a family in need due to their inability to pay.

Helping Hands Sponsors receive:

- Sponsor recognition on facility display wall
- Recognition on HARTH website as well as other social media outlets
- Updates throughout the year on how their sponsorship dollars made a difference

## HELPING HANDS SPONSORSHIP LEVELS

**Bronze Sponsor** \$325 Sponsors 5 sessions

**Gold Sponsor** \$1,625 Sponsor a child for 6 months (25 Sessions) **Silver Sponsor** \$650 Sponsors 10 sessions

**Platinum Sponsor** \$3,250 Sponsor a child for 1 year (50 sessions)

**Diamond Sponsor** \$5000 and up Funds will be used to sponsor as many families as possible.

100% of sponsors donations will go directly to help pay for therapeutic riding sessions. Please help us meet our goal of never having to turn away a family in need due to their inability to pay.
